ART SHOWCASE INFORMATION

NYS youth between the ages of 12 and 17 are invited to participate in a Art Showcase to help correct the myths some youth hold about gambling (*spread the truth about gambling, etc.?)

Eligibility: Anyone between the ages of 12 and 18, living in New York State may participate.

Theme: Art work should focus on revealing one of the following truths about gambling:

- Good luck charms play no part in winning or losing.
- Most people who gamble lose.
- Gambling can become an addiction.
- Gambling comes with no guarantees.
- Underage gambling is not safe.

Materials and Requirements: Art work must be your own original work. Copyrighted characters (such as Superman) or copyrighted clip art, logos, etc., will not be accepted. Artists may use any materials to create their message. Art work is not limited to posters; please be creative. A completed entry/release form **MUST** be attached to the back of all entries or they will not be included in the showcase.

Deadlines: Please contact your local provider to find out more about local deadlines. Entries can be dropped off at any [participating provider](#).

Judging: Judging will be based on three criteria:

- Does the art work reveal one of the listed truths about gambling?
- Is the message clear?
- Is the art work creative and original?

The participating provider in each county will choose a first, second, and third place from the submitted art work. All New York statewide selected pieces of art will, then, be voted on at the New York Council on Problem Gambling Annual Conference for statewide first, second, and third place pieces.

This form MUST be attached to the back of your submission using only tape
